APRC

APRC is for illustrative purposes. The APRC (previously known as APR) is the official cost for comparison. It is calculated using the average cost per year, including fees associated with the mortgage. However, it assumes you keep the mortgage for the entire term rather than just the initial deal period, and that the interest rate charged does not change.

What are your charges and fees?

Early Repayment Charge – Standard/Discounted Variable Rates

An early repayment charge of three months' interest is payable if you take out a mortgage with Kingdom Bank and transfer the mortgage to another lender within the first two or three years for the Standard and Discounted Variable rates respectively.

Early Repayment Charge – 2 or 5-Year Fixed Rate and Shared Ownership

You can overpay on your mortgage by 10%/year. If you would like to overpay by more than this, an early repayment charge will apply to the amount which exceeds this 10% as follows:

2-Year Fixed Rate: 1.50% and 1.00% in years one and two respectively.

5-Year Fixed Rate: 3.00%, 2.50%, 2.00%, 1.50% and 1.00% in years one to five respectively.

Shared Ownership: 1.50%, 1.00% and 0.50% in years one to three respectively.
